

Dear colleague

I encourage and invite you to attend the 5th Asian College of Neuropsychopharmacology (AsCNP) Congress 2017 that will be held in Bali International Convention Centre, from April 27th – 29th 2017. The theme is “Leap of Recent Neuropsychopharmacology Achievements of This Decade”. The AsCNP 2017 is going to provide a great opportunity to stimulate and share the most up to date achievements in the field of neuropsychopharmacology and mental health.

The International and Local Scientific Committee will organize high scientific sessions of keynote lectures, plenary lectures, attractive symposia, interactive workshops, posters, young scientists and educational sessions.

I believe with your support and participation, we will make this congress successful and remarkable. More importantly, please make sure to spend more days to explore the beauty, miracle, culture, and hospitality of one of the best exotic island in the world, Bali!

With open arms and warm regards, I look forward to welcome you to Bali in April 2017.

Please do not hesitate to contact us if you have any inquiries.

Sincerely yours,

Prof. Andi Jayangkara Tanra, M.D., Ph.D
President-elect of AsCNP 2016
